Tonight we extend a very warm welcome to DJURGARDENS I.F. of Stockholm, Sweden. The Club was founded in 1891 and is the oldest and biggest Club in Sweden. At present they run 20 teams. Djurgarden were third last year in the 1st Division and therefore qualify for a place in the 1976/7 E.U.F.A. Cup. They have represented Sweden previously in European Football. A couple of years ago in the Cup Winners Cup they drew 1—1 with Wrexham in Sweden and lost 2—1 in Wales. Their stadium is the old Olympic Stadium and holds 22,000, all the players are part-time professionals. The Club has won the League four times and the last occasion being in 1966. At present they have four full internationals, they are Olsberg, Lindman, Svensson

and Gronhagen and seven under 23 internationals, Alkeby, Erikon, Berggren, Davidson, Lovfors, Stenback, and Carlson. Sven Lindman the Captain played for Rapid Vienna for two years and has won 22 Swedish international caps, he also played in the World Cup. Anders Gronhagen is currently the most sought after player in the team.

Since compiling my last notes I attended a meeting of the English Clubs participating in the Anglo-Italian Inter League Tournament. At that meeting I was informed that we meet PISTOIESE at Loakes Park on 4th May 1976, kick-off 7.30 p.m. and TERAMO at Loakes Park on 19th May 1976. The return matches in the same order take place at PISTOIA on 13th June

at 5.30 p.m. and at TERAMO on 16th June at 8.30 p.m. and the final on 20th June. Once again I would stress how much we rely on you to give us support on the two dates in May. We shall be relying very much on gate receipts from the two games to go a long way to defraying the expenses of the Italian trip.

The current league table for our region is included in the programme and will be published in the *Free Press* weekly also.

Also included in this programme is the current Rothmans League Table and one can see the effect of the lack of 'goals for' now that positions are decided on goal difference.

We had a request from the Royal National Life-Boat Institution to hold a flag-day collection on the ground on Saturday 27th March, but as you are aware we are away to Leatherhead on that date; nevertheless I have informed the local secretary that I am sure you will give good support to their collections which will be made in the town on that day.

Don't forget Wednesday 31st March at 7.30/8.00 p.m. in the Blues Social Club when we are staging once again one of those ever popular RACE NIGHTS. If anyone would like to sponsor a horse please contact Gerry Cox, Dave Carvell or Bob Hart.

The Club Committee had a very amicable meeting with our Supporters Club Committee last week, amongst many items discussed the great need for assistance in the tea bars was outstanding, so please let us have some volunteers. Please contact Ron Fisher, Allan Page or Chris Richardson. In helping the Supporters club you are very much helping the Wanderers, so

come on some of you youngsters and offer a helping hand.

BARKING

Take the route for Dagenham (A/M40 to London, then Kings Cross, Angel, Old Street, Commercial Road, East Ham and Barking By-Pass for about 3 miles). Just after the railway bridge, this road meets Ripple Road. Bear left across Ripple Road into Lodge Avenue. The ground is about 1 mile on the left.

STAINES TOWN

Take the A/M40 to Beaconsfield, then the B473 to Slough, continuing on the Windsor By-Pass to Windsor. Follow the signs for the A308 to Staines, through Old Windsor and Windsor Great Park, until the roundabout at Egham. Take the second exit and continue for about one mile to the next roundabout. Take the first exit, over the river and bear right past the Cinema into the High Street. Keeping to the right, follow the one-way system by turning right into South Street, following the signs to Shepperton. At the end, turn left into Laleham Road. Continue for about half a mile, the ground is on the right.
