KICK-OFF 7.30 p.m.

A FRIENDLY MATCH

Good evening everyone, and welcome to Loakes Park for tonight's most interesting friendly match.

We take great pleasure in welcoming the Players, Officials and Supporters from the Swedish side Djurgarden, for what will be the second meeting between the two clubs. Two seasons ago, our visitors went down 1-3 at Wycombe, and so will be very keen to avenge that defeat this evening.

Djurgarden is a Swedish First Division side, and is at present in the Swedish pre-season period, training at Bisham Abbey. Sven Lindman is the side's skipper, and has 21 Swedish International Caps to his credit. Curt Olsberg has also been capped, and Lars Stenback and Anders Gronhagen are both in the Swedish 'Forty Group' for the World Cup in Argentina.

In the 1977 season, Bengt Persson, the Manager/Coach, saw Djurgarden into sixth place in the League.

We hope our visitors will have a most enjoyable evening with us.
